## Rules:

1. All rules are in accordance with the Iowa High School Boys Basketball Rulebook except for the following amendments.

### Time Limit – Scoring

1. A field goal is worth 1 point. All possessions after a made shot, dead ball out of bounce, jump ball or a non shooting foul prior to the team bonus (or any situation that causes the ball to become "dead") begin behind the take back line and the ball must be passed after it is checked. Exception is a rebound is secured and dribbled or passed behind the take back line it can be dribbled back out of the take back line area (remains live ball). All change of possessions must be taken behind the take back line as well. The ball and player must both be behind the take back line to count as a take back. If a shot is attempted before the ball is taken back, it results in a turnover and it goes to the other team.
2. A successful goal from behind a designated line (approximately 19'-9") is worth 2 points. The player shooting must have both feet completely behind the line when initiating the attempt.
3. The following scoring rules apply for all division:
  - Winner Bracket Games** – 15 points win by 2, up to a maximum of 20 points. (example: 15-13, 18-16, 20-19).
  - Loser Bracket Games** – 15 points win by 2, up to a maximum of 20 points.
4. All games have a 20 minute time limit. The official starting time will be recorded by the official on the score sheet. The official time will be under the jurisdiction of the official. The "clock" will be stopped only during timeouts (one per team per game) – regular or injury.
5. The team leading at the end of 20 minutes will be declared the winner.
6. If the game is tied after 20 minutes of play and no team has reached the required number of points to win the game, the official will flip a coin to determine possession. The first team to score will win the game.

### Fouls and Violations

1. The official will call all fouls and violations.
2. Shooting fouls will be handled in the following manner:
  - When the basket is made** – count the basket and whether the ensuing free throw is made or missed, possession goes to the defensive team.
  - When the basket is missed** – if the free throw is made or missed, possession goes to the defensive team.
  - NOTE: One (1) free-throw will be awarded to the fouled player, even if fouled in the act of attempting a shot from behind the 2-point line.**
3. **Non-shooting fouls** – on and after the **5th team foul** a free throw will be awarded. It will be handled in the following manner: If the free throw is made or missed, possession goes to the defensive team.
4. All free throws are dead balls.
5. **Free Throw Option:** in any free throw situation, (including intentional fouls or flagrant fouls,) the designated shooter may at his or her option choose to shoot from the free-throw line for one (1) point, OR from behind the 2 point line for 2 points. In either case, the player shooting must have both feet completely behind the line when initiating and completing the attempt. If the 2 point shot is chosen, the non-shooting team will be awarded the ball regardless of whether the shot is successful or not (Exception: intentional fouls or flagrant fouls).
6. All technical, intentional or flagrant fouls will be counted as a team foul.
