(Code of Iowa, Sec. 364.1)

1.04 INDEMNITY. The applicant for any permit or license under this Code of Ordinances, by making such application, assumes and agrees to pay for any injury to or death of any person or persons whomsoever, and any loss of or damage to property whatsoever, including all costs and expenses incident thereto, however arising from or related to, directly, indirectly or remotely, the issuance of the permit or license, or the doing of anything thereunder, or the failure of such applicant, or the agents, employees or servants of such applicant, to abide by or comply with any of the provisions of this Code of Ordinances or the terms and conditions of such permit or license, and such applicant, by making such

It is unlawful for any unauthorized person to change or amend by additions or deletions, any part or portion of the Code of Ordinances, or to insert or delete pages, or portions thereof, or to alter or tamper with the Code of Ordinances in any manner whatsoever which will cause the law of the City to be misrepresented thereby.

1.11 SEVERABILITY. If any section, provision, or part of the Code of Ordinances is adjudged invalid or unconstitutional, such adjudication will not affect the validity of the Code

of Ordinances as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

1.12 WARRANTS. If consent to enter upon or inspect any building, structure or property pursuant to a municipal ordinance is withheld by any person having the lawful right to exclude, the City officer or employee having the duty to enter upon or conduct the inspection may apply to the Iowa District Court in and for the County, pursuant to Section 808.14 of the *Code of Iowa*, for an administrative search warrant. (Code of Iowa, Sec. 364.22[3])

3.02 ENVIRONMENTAL VIOLATION. A municipal infraction which is a violation of Chapter 455B of the *Code of Iowa* or of a standard established by the City in consultation with the Department of Natural Resources, or both, may be classified as an environmental violation. However, the provisions of this section shall not be applicable until the City has offered to participate in informal negotiations regarding the violation or to the following specific violations:

(Code of Iowa, Sec. 364.22[1])

1. A violation arising from noncompliance with a pretreatment standard or requirement referred to in 40 C.F.R. §403.8.

3.03 PENALTIES. A municipal infraction is punishable by the following civil penalties:

(Code of Iowa, Sec. 364.22[1])

1. Standard Civil Penalties.
 - A. First offense – not to exceed \$750.00

Each day that a violation occurs or is permitted to exist constitutes a repeat offense.

2. Special Civil Penalties.
 - A. A municipal infraction arising from noncompliance with a pretreatment standard or requirement, referred to in 40 C.F.R. §403.8, by an industrial user is punishable by a penalty of not more than \$1,000.00 for each day a violation exists or continues.

However, an environmental violation is not subject to such penalty if all of the following conditions are satisfied:

3.05 ALTERNATIVE RELIEF. Seeking a civil penalty as authorized in this chapter does not preclude the City from seeking alternative relief from the court in the same action. Such alternative relief may include, but is not limited to, an order for abatement or injunctive relief.

(Code of Iowa, Sec. 364.22[8])

3.06 ALTERNATIVE PENALTIES. This chapter does not preclude a peace officer from issuing a criminal citation for a violation of this Code of Ordinances or regulation if criminal penalties are also provided for the violation. Nor does it preclude or limit the authority of the

8.01 PURPOSE. The purpose of this chapter is to provide for a property tax exemption for shell buildings constructed by community development organizations, not-for-profit cooperative associations under Chapter 499 of the *Code of Iowa*, or for-profit entities for speculative purposes in accordance with Section 427.1 of the *Code of Iowa*.

8.02 DEFINITIONS. For use in this chapter the following terms are defined:

1. “Community development organization” means a City organization or a multi-community group formed for one or more of the following purposes:
 - A. To promote, stimulate, develop, and advance the business prosperity and economic welfare of the community, area, or region and its citizens.
 - B. To encourage and assist the location of new business and industry.
 - C. To rehabilitate and assist existing business and industry.
 - D. To stimulate and assist in the expansion of business activity.

For purposes of this definition, a community development organization must have at least 15 members with representation from the government at the level or levels corresponding to the community development organization’s area of operation; a private sector lending institution; a community organization in the area; business in the area; and private citizens in the community, area, or region.

2. “New construction” means new buildings or structures and includes new buildings or structures which are constructed as additions to existing buildings or structures. “New construction” also includes reconstruction or renovation of an existing building or structure which constitutes complete replacement of an existing building or structure or refitting of an existing building or structure, if the reconstruction or renovation of the existing building or structure is required due to economic obsolescence, if the reconstruction or renovation is necessary to implement recognized industry standards for the manufacturing or processing of products, and the reconstruction or renovation is required in order to competitively manufacture or process products or for community development organizations, not-for-profit cooperative associations under Chapter 499 of the *Code of Iowa*, or for-profit entities to market a building or structure as a speculative shell building, which determination must receive prior approval from the Council.

3. “Speculative shell building” means a building or structure owned and constructed or reconstructed by a community development organization, a not-for-profit cooperative association under Chapter 499 of the *Code of Iowa*, or a for-profit entity without a tenant or buyer for the purpose of attracting an employer or user

which will complete the building to the employer's or user's specification for manufacturing, processing, or warehousing the employer's or user's product line.

8.03 ELIGIBILITY. The new construction of shell buildings by the community development organization, not-for-profit cooperative association under Chapter 499 of the *Code of Iowa*, or for-profit entity for speculative purposes is eligible for property tax exemption. The exemption shall be for one of the following:

1. The value added by new construction of a shell building or addition to an existing building or structure.
2. The value of an existing building being reconstructed or renovated, and the value of the land on which the building is located, if the reconstruction or renovation constitutes complete replacement or refitting of the existing building or structure.

8.04 WHEN EFFECTIVE.

1. If the exemption is for a project described in Subsection 1 of Section 8.03, the exemption shall be effective for the assessment year in which the building is first assessed for property taxation or the assessment year in which the addition to an existing building first adds value. If the exemption is for a project described in Subsection 2 of Section 8.03, the exemption shall be effective for the assessment year following the assessment year in which the project commences. An exemption allowed under this section shall be allowed for all subsequent years until the property is leased or sold or until the exemption is terminated by ordinance of the City Council.

2. Eligibility for an exemption as a speculative shell building shall be determined as of January 1 of the assessment year. However, an exemption shall not be granted a speculative shell building of a not-for-profit cooperative association under Chapter 499 of the *Code of Iowa* or a for-profit entity if the building is used by the cooperative association or for-profit entity or a subsidiary or majority owners thereof for other than as a speculative shell building. If the shell building or any portion of the shell building is leased or sold, the portion of the shell building which is leased or sold, and a proportionate share of the land on which it is located if applicable, shall not be entitled to an exemption under this section for subsequent years. Upon the sale of the shell building, the shell building shall be considered new construction for purposes of Section 427B.1 of the *Code of Iowa* if used for purposes set forth in Section 427B.1.

8.05 APPLICATION.

1. If the speculative shell building project is a project described in Subsection 1 of Section 8.03, an application shall be filed pursuant to Section 427B.4 of the *Code of Iowa*.

2. If the speculative shell building project is a project described in Subsection 2 of Section 8.03, an application shall be filed pursuant to Section 427.1(27) of the *Code of Iowa*.

3. The exemption shall continue for a period of two assessment years after exemption is claimed.
